

Individual Program Application 2018

Information for new applicants

Thank you for your interest in our Individual Program. This application is required for all children who wish to participate. The Individual Program utilizes one-to-one volunteers to facilitate animal-assisted activities for children with special needs ages 2-12. The program runs for 12 weeks during the following times:

- Fall Session: September through November between the hours of 2 – 6 pm
Spring Session: March through May between the hours of 2 – 6 pm
Summer Session: June through August between 3 – 4 pm

Your acceptance into the program is based on review of this application and an on-site visit at The Barn at Spring Brook Farm with our Program Manager.

After initial contact with the Program Manager, the standard process for participation is as follows:

Step 1: Schedule an on-site visit

- Parent(s) and child tour the facility with Program Manager
- Parent(s) completes application
- Program Manager conducts initial assessment

Step 2: If the Program Manager believes that the program will benefit the child, parent(s) schedule a meeting to identify goals face-to-face or by phone, without child

- Identify specific goals for the child's Barn Activity Plan
- Discuss strategies for integrating animals into the goals

Step 3: Program Manager will identify an appropriate volunteer to work with the child

- Confirm schedule
- Review relevant information related to the child and Barn Activity Plan with the volunteer

Step 4: Begin 12 weeks of visits to The Barn

- Volunteer and child work together towards goals identified in the Barn Activity Plan with support and observations from the Program Manager
- Throughout the 12 weeks of visitation, the Program Manager will meet with the volunteer to discuss progress during the visit, and make adjustments to strategies as necessary.
- After the final visit, the Program Manager will provide a final report to the parents
