

*“My children have participated in Camp Geronimo for 4 years. This is their favorite camp to attend all summer. I think the one-on-one counselor makes a huge difference. I think the small camp size, the numerous fun activities, the really patient animals, and the fabulous leadership all make for a fabulous experience. Each child gets what they need and are validated and celebrated for who they are. My kids told me they wanted to do two weeks next year! Thank you, Camp Geronimo for this wonderful opportunity you give my kids each year. We are so grateful!”—Camp Parent*

*“This camp was amazing for our son. He loves animals and would often ask about them when not at camp. He always came up dirty and tired which means he had a fun day!”—Camp Parent*

*“This program has far exceeded our expectation. We look forward every week. Our son’s attention has greatly improved in this setting. It is so necessary to get him away from the cell phone and it’s never a struggle. We love this program!”—Teen Program Parent*

*“We are so grateful that we found them programs at the Barn and truly hope that the Barn continues to expand their offerings for teens and other children.”—Teen Program Parent*

*“The program at the barn was amazing. It allowed my son to be himself to connect with nature. He really enjoyed it, and we saw a lot of progress and one step directions and communication where he started to verbalize many words. He seemed excited each week to go, and it seemed to be his favorite therapy. I don’t think he considered it therapy, just being a kid. We are excited if offered the opportunity to come again. I hope that that’s program can continue to help other children and young adults as it has helped my son.”—Individual Program Parent*
